

# Mr. Asparagus' Appetizer

## Bacon Wraps

### Ingredients:

- 1 lb fresh asparagus
- 8 to 10 strips bacon

### Procedure

Wash and trim asparagus spears. Cut bacon strips in half crosswise. Wrap one-half strip bacon around each asparagus spear, leaving tip and end exposed. Lay on a cookie sheet with sides. Bake in a preheated 400-degree oven for 20 to 25 minutes, or until bacon is cooked. Serve warm or at room temperature.

Makes 16 to 20 spears
